Have You Met these Hoppy PROFIT PROVEN PRODUCTS?

Revolutionary New System is Sweeping the Country!

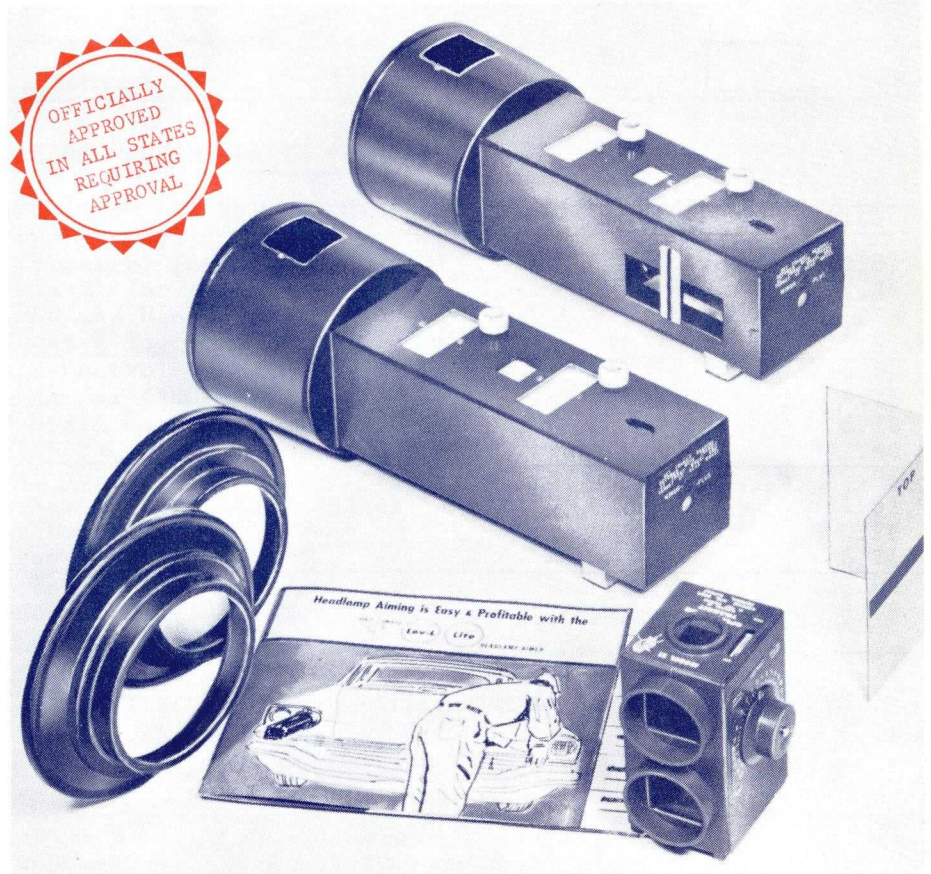

Split-Image System is Approved and in Use by Leaders in the Automotive Field . . .

Precision Headlamp Aiming and Checking is the fastest-growing automotive service in the country today! It's a profitable service that thousands of dealers are now able to offer their customers; customers who are becoming increasingly aware of the importance of good lighting to their own safety.

The world's fastest selling headlamp aimer is the Split-Image Aimer, manufactured by Hopkins. Now you can check, with scientific precision, either 2 or 4 headlamp systems in less time than it takes to clean the car windows!

If you haven't learned about the Hopkins Split-Image Headlamp Aimer by now, be sure to contact your jobber today for complete information, or write direct. Remember, *it's costing you money* if you are not offering your customers modern headlamp aiming service.

Part No. B 4

Other Hoppy Automotive Products that Pay their Way:

HOPPY Lev-L-Lite Meter

Use the Hoppy Lev-L-Lite Meter to detect candle power loss and faulty beams. Approved in most states for automobile inspection stations.

Part No. C 1

The New HOPPY Mari-Linn TROUBLE LIGHT

The Mari-Linn lamp fits conveniently on the radiator of the car. With its chrome gooseneck, over two feet long, and a 360° swivel, this lamp gives you all the light you need any place under the hood. Lamp mounts easily and quickly. Simply put the Mari-Linn radiator cap on the radiator and slip the lamp over the bracket. Mount several special brackets in strategic locations around your shop. Wherever you need good light, you can mount the Mari-Linn lamp.

Comes with mounting brackets, bracketed radiator cap, 18-foot Neoprene-jacketed cord, hardware and factory guarantee. Extra brackets are available.

Part No. H 1

HOPPY "Dial Pick"

This new stroke-controlled Peck Hammer cuts set-up, pecking and filing time and almost entirely eliminates stretch. Why put up with manual pecking when the Hoppy Dial Pick costs little more than a complete set of pecking hammers and pays for itself in time and labor savings almost overnight! With a written guarantee

Part No. A 2

Air-Driven Peck Hammer for Body Shops

- Ends Bulging & Stretching
- Cuts Pecking Time
- Works in the Tightest Spots
